

 PROPRED – AI FOOTBALL INTELLIGENCE VALUE TIPS = REAL EDGE REAL DATA · REAL INTELLIGENCE · REAL EDGE

PREDICT SMARTER

PROPRED analyses every fixture with live Sportmonks data — form, H2H, scoring trends — then classifies every tip with a badge so you always know when to bet and when to walk away.

HOW THE MODEL WORKS

Live Data Fetch

Real fixtures, form, H2H and scores pulled from Sportmonks every load.

Form Scoring

Every team gets a form score from last 5 results. Weighted for home/away splits.

Value Detection

Model probability vs implied odds — a gap of 8%+ triggers the 💎 VALUE badge.

Avoid Signals

High variance, both teams inconsistent, or low data confidence = AVOID badge.
